GeoGulf is the official rebrand of the GCAGS/GCSSEPM annual convention, with GeoGulf 2020 (our 70th meeting) being held Sept. 30–Oct. 2, 2020, in Lafayette, LA.

As part of our rebranding, we are creating a quarterly newsletter, which will highlight convention activities, Association and local Society news, and research activities within our Community, as well as other relevant aspects.

With a digital reach in the thousands, we invite you to consider advertising in the GeoGulf Newsletter. Two of the quarterly issues serve as the Convention Announcement Brochure and Convention Program Booklet, respectively, with printed copies as well as digital distribution.
